

The item number you are ordering can be identified or generated by:

- 1: Start with initials representing the Collection you are purchasing (see below)
- 2: Add either an "R" or "S" depending on whether you want square or rounded edges on the hood and tray
3. Add the 2 digit number representing the metal you are selecting
- 4: Add the 2 digit number representing the stone options color you are selecting

(Example: IFR2012 represents Inspiration Falls, Rounded Edges, Stainless Steel, Green Featherstone Slate)
